**Subject:** RE: Pebble-letter to the Corps on Cooperating Agency Plan

Good morning Patty,

ERSMU now has a project tracking number assigned to this project: 18-0002-COE

Per Jill's recommendation yesterday, please add this to the end of the first sentence of the letter to follow our standard NEPA unit practice and for filing purposes: "... for the Pebble Project EIS (EPA Region 10 Project Number 18-0002-COE)."

Also, as I noted in my voicemail just now, at a first glance the cover letter transmitted to David looked to be the same one sent to Jill and I for review yesterday, so I wanted to bring that to your attention in case that was an error.

Thanks,

Molly

Hi David-

Attached is a letter and comments to the Corps on the Draft Cooperating Agency Plan.

Please let me know if you have any edits/comments and then I will work with Christine to prepare a revised letter for your signature.

Thanks to Ashley, Kim, Jill, and Molly for their review and edits.

Patty
